Synopsis: Reckless driver call resulting in a traffic stop. Driver was intoxicated and DPS responded to assume the investigation.

01. On 08/02/2013 at approximately 0104 hours, Deputy J. Manoushagian #0118 was dressed in full police uniform and driving marked patrol unit 313. While on patrol, dispatch broadcast an alert in referent to a reckless driver traveling southbound on US 81/287. Dispatch described the vehicle as a black SUV with Louisiana license plates. Manoushagian located the vehicle a short time later traveling southbound on US 81/287 in the area of CR 4227 (Deep Creek Road).

02. Once behind the vehicle, Manoushagian paced it at approximately 50 miles per hour. The posted speed limit in the area is 70 miles per hour. Manoushagian also observed the vehicle braking erratically, increasing and decreasing speed, and drifting within the lane. The vehicle then crossed the solid white line dividing the main travel lane and the shoulder. The vehicle drove on the shoulder for approximately 5 seconds before returning to the main travel lane. Given the time of night and driving behavior of the vehicle, Manoushagian believed the driver may possibly be intoxicated. Manoushagian initiated a traffic stop and the vehicle slowly yielded on US 81/287 just north of FM 407.

03. Manoushagian made contact with the driver and positively identified him by his PA DL as Kurt Steven Angle (W/M DOB: [redacted]). Manoushagian immediately detected a strong odor of an alcoholic beverage emitting from inside the vehicle. Manoushagian also noted that Angle had glassy eyes, a blank distant stare, and slightly slurred speech. Due to his training and experience as an SFST practitioner and Drug Recognition Expert (DRE), Manoushagian believed that Angle may possibly be under the influence and asked that he exit the vehicle in order to begin an intoxication investigation.

04. Contact was made with TX DPS Trooper Thornton who responded to the scene and assumed the investigation. Manoushagian cleared with a supplemental report.
